The General Assembly,

Reaffirming that a comprehensive nuclear test ban is one of the highest priority objectives of the international community in the field of disarmament and non-proliferation,

Convinced that the most effective way to achieve an end to nuclear testing is through the conclusion of a universal and internationally and effectively

verifiable comprehensive nuclear test-ban treaty which will attract the adherence of all States and which will contribute to the prevention of the proliferation of nuclear weapons in all its aspects, to the process of nuclear disarmament and therefore to the enhancement of international peace and security,

Noting the aspirations expressed by the parties to the 1963 Treaty Banning Nuclear Weapon Tests in the Atmosphere, in Outer Space and under Water 1/ to seek to achieve the discontinuance of all test explosions of nuclear weapons for all time, which are recalled in the preamble to the 1968 Treaty on the Non-Proliferation of Nuclear Weapons, 2/

Welcoming the preparation of a rolling text in the Ad Hoc Committee on a Nuclear Test Ban of the Conference on Disarmament, as reflected in the report of the Conference and its appendix, 3/ and noting the decision of the Conference to continue its work in inter-sessional meetings,
